## National Sprayer Testing Scheme (NSTS)

### **IMPORTANT PLEASE READ THIS !**

All golf course and amenity sprayers must have an NSTS certificate (Sprayer MOT). This test is valid for 3 years and is required on boom sprayers 3m or over.

We can carry out onsite NSTS tests nationwide.

**Our registered dealers will receive their normal discount terms if they book a test for their customer.**

NSTSAM On site sprayer test to NSTS standard £ 385  
NSTS Test Certificate £45

## **NOTES WHEN ORDERING**

1. When ordering please Email or post a written order with your company order number to Cleveland Alliances Ltd to validate your order.
2. Full Warranty : Exists for 6 months from date of invoice. A further 6 months, parts only warranty. Making a total of 12 months parts cover.

### **Terms & Conditions of Purchase**

Any person or company limited or otherwise, ordering goods from this price list both verbally or in writing agree to the following conditions of purchase:

All orders to the company known as Cleveland Alliances Ltd, remain the property of the said company until paid for in full. The supplying of an official company or personal order number verbally or in writing will make this a binding contract.

Cleveland Alliances Ltd reserve the right to repossess any goods which have not been paid for in full by the end of the terms stated on the invoice. If goods are not available for return then the responsibility of payment becomes that of the directors of the company.

Goods with a retail value of greater than £1,800 will be carriage paid within the UK mainland, or to the nearest port.

All prices in this price list are subject to VAT.

E & OE

## **TORO WORKMAN Fit Dedicated Version**

### ***Dedicated - Demountable Sprayers***

Available for NEW or USED Trucks

Standard Sprayer Features Include:

- NSTS compliant
- On site setup and instruction
- Shaped tank with deep total emptying sump
- AMC 180 Cutting-edge computer rate control, speed from GPS
- Tank cleaning system with large capacity clean water rinse tank simplifies 3 stage sprayer cleaning (environmental protection)
- Clean water rinse tank and hand wash tank
- Low level chemical induction hopper with container wash system
- High output, multi cylinder diaphragm pump *HYDRAULIC DRIVE STANDARD*
- Protective clothing locker
- Hose pipe holder
- Tank tilt connects to truck rams for ease of truck maintenance
- 6m **GEXE** metre steel electric folding booms
- Boom end Jets protection
- 4 way jets for feed and chemical application

### **Dedicated c/w **GEXE** Boom**

**GEXE**, 6m painted steel with electric lift and fold boom arms

DT750AM6E 750 lt 6m GEXE electric fold boom £15,435

DT950AM6E 950 lt 6m GEXE electric fold boom £16,275

### **Dedicated c/w **GF** Boom**

**GF**, Ground positive and negative contour following boom

- 6m aluminium electric fold booms
- Ground contour following wheels
- 4 way jets for feed and chemical application

DT750GF 750 litre 6m GF, electric fold boom £16,130

DT950GF 950 litre 6m GF, electric fold boom £16,940

### **Dedicated c/w **WGF** Boom**

**WGF**, Totally covered boom sealed from the wind. Follows positive and negative, ground contours

- 6m aluminium (5.3m spray area) electric fold booms
- Electric lift, rotates boom for servicing & testing under canopies
- 3 way jets for feed and chemical application
- External nozzle flow monitors give operator visual check

DT750WGF 750 litre 6mWGF, electric fold boom £19,740

DT950WGF 950 litre 6mWGF, electric fold boom £20,540
